

DEMYSTIFYING SUSTAINABILITY: TRANSITIONING TO AN IMPACT ECONOMY

— JUNE 13-14 | 2019 | LUXEMBOURG —

TIIME is organizing a 2-day workshop on sustainability for business and finance: From corporate initiatives (CSR/CR/CSV) to investing and trends (SRI, ESG, Impact Investing)

**THIS COURSE IS DESIGNED TO SUPPORT DECISION-MAKERS, ASSET OWNERS AND PRACTITIONERS
ASSET MANAGERS / OWNERS**

- HNWIs interested in impact investing
- Professionals from financial institutions, wealth managers and family offices
- Fund managers: from PE/VC to foundations

CONSULTANTS AND SERVICE PROVIDERS

- Consultants developing impact strategies (internal and external)
- Service providers in the ecosystem – legal, accounting, etc

PRACTITIONERS AND OTHERS

- Corporate Responsibility teams members
- Professionals association and network managers
- Governmental officers

WHY SHOULD I JOIN?

- Navigate through the exciting and evolving world of sustainability and impact
- Continue your journey into impact finance and responsible business practices
- Exchange and network with like-minded people
- Build practical skills for sustainable leadership and implementation techniques
- Gather inspiration and tools for changemaking in your organization
- Discuss and debate with peers and thought-leaders
- Learn about new trends and best practice

...and discover LUXEMBOURG for those joining from abroad

LU XEMBOURG
LET'S MAKE IT HAPPEN

**TOGETHER WE WILL DEVELOP COMMON LANGUAGE, KNOWLEDGE AND TOOLS
TO ADDRESS SUSTAINABILITY ISSUES ACROSS FINANCE AND BUSINESS.**
